FABRICS

OBA Australia's fabric range comes in a large variety of classic and contemporary colours to suit any building or façade. These fabrics are designed to take the toughest of conditions and boast one of the strongest tear strengths on the market. All of the fabrics used by OBA Australia are European made and specifically designed to be used for all external blinds and awnings including zip systems. All of the fabrics are different and some has more advantages then the another, some of them are anti-static for easy cleaning, anti-fungal and fire retardant, providing years of safe low maintenance use. Please consult with our representative for the best solution.

DETAILFabric transparency varies from 0% to 100% block out

Clear PVC fabric 0-15% Block out
