

CLEO

Semi-Cassette folding arm awning

Future-proofed contemporary awning

Outdoor Blinds & Awnings Australia takes pride in crafting and offering our **Cleo Folding Arm Awning** - a smart semi-cassette shading solution designed for longevity.

Ideal for modern homes, Cleo seamlessly blends authentic European aesthetics with top-notch Australian craftsmanship, ensuring optimal performance even in challenging weather conditions.

Cleo

Semi-Cassette Folding Arm Awning

Shade control at its best

Stylish and discreet, **Cleo Semi-Cassette Folding Arm Awning** provides sun protection in a contemporary and unobtrusive package.

Designed for longevity, the semi-enclosed aluminium cassette keeps the fabric and hardware hidden when it's not in use - providing extra protection against dirt and corrosion. It's well-devised drainage system prevents water from seeping into the box and keeps the fabric looking great for years to come.

COMFORT, AESTHETICS & EASE OF USE

Cleo folding arm awning provides excellent shading from the sun and light rain.

AWNING ARM INCLINATION

Adjustable between 5° and 35° degrees. 18 degrees or more is recommended to achieve best possible rain protection.

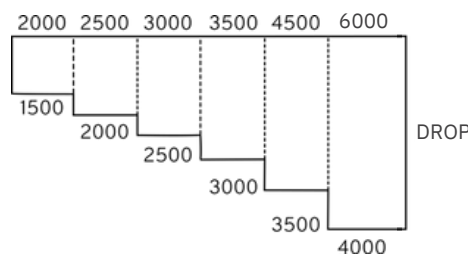

CUSTOM MADE

Each Cleo Folding Arm Awning is custom made with your choice of premium Delux and Interpon powder-coating colours for the head box and hardware as well as over 200 variations of premium quality fabrics.

ENERGY SAVING

Manufactured with the state-of-the-art fabrics from leading providers such as Serge Ferrari and Dickson. The fabrics are able to reduce glare and heat by up to 70% which in turn eliminates the greenhouse effect, keeps your interiors feeling fresh and, depending on the colour of the fabric, block 90% to 100% of UV rays.

HEAD BOX SIZES & SIZE LIMITS

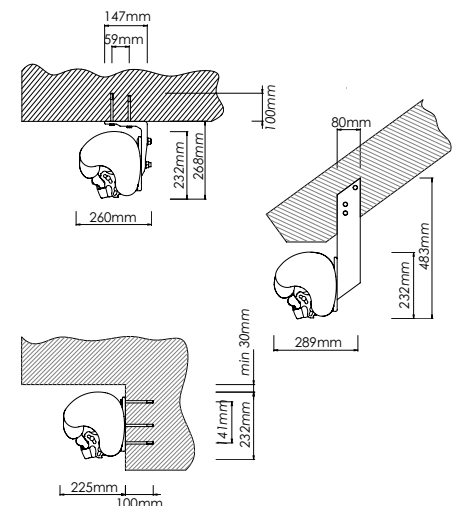

AUTOMATION

Available automation options include hardware to a **wall switch panel** or a **remote control**; wide range of **Automation sensors** such as wind or wind/sun sensors, motion sensors and rain sensors that easily integrate with existing or new **Smart Home Automation Systems** for convenient voice control commands.
