

CLIPLOCK

Aluminium Batten System

Streamlined facade decor

Outdoor Blinds and Awnings Australia proudly introduces the **Cliplock Aluminium Batten System**. This innovative system is perfect for both wall and ceiling installations and can be utilised both as a decorative feature and privacy screen – aiding BASIX certification approvals. Custom made, this new cutting-edge system will modernise any home facade and seamlessly enhance any home exterior.

Cliplock

Aluminium Batten System

Streamlined facade decor

Achieve a luxurious look and feel with our premium **Cliplock Aluminium Batten system** - which serves both an aesthetic and functional end-use. The absence of any visible screws and rails create a seamless and modern look, while the colour selection is entirely customisable to complement your property's appearance. Manufactured in Australia, the aluminium battens are waterproof and robust, while being designed to compliment a minimalistic and simple property design. This system is ideal for both commercial and residential facades.
