# CubeBox

## Full-Cassette Folding Arm Awning

### Shade control at its best

The ultimate product for style, design and protection, the compact **CubeBox Full-Cassette Folding Arm Awning** is designed to be discreet and blend into most architectural styles. Exceptional in areas that are exposed to rain or wind, CubeBox's fully enclosed cassette is engineered to protect the operating mechanism and fabric against dirt, rain and humidity - keeping the awning in top condition. With its low-depth profile, heavy duty-tilting point, and slim arm design, the fully motorised CubeBox is the perfect awning for modern design and performance.

## Features and Options

### FULLY SEALED CASSETTE

Protects the operating mechanism and fabric from the elements.

### ALUMINIUM BACK PLATE

Heavy duty, the plate is the back bone of the system, making it extremely robust and sturdy.

### OPTIONAL LED ARM LIGHTS

To enhance outdoor space after dark.

### COMFORT, AESTHETICS & EASE OF USE

Cubebox folding arm awning provides excellent shading from the sun and light rain.

### AWNING ARM INCLINATION

Adjustable between 5° and 35° degrees. 18 degrees or more is recommended to achieve best possible rain protection.

### CUSTOM MADE

Each Cubebox Folding Arm Awning is custom made with your choice of premium Dulux and Interpon powder-coating colours for the cassette and hardware, as well as over 200 variations of premium quality fabrics.

### ENERGY SAVING

Manufactured with the state-of-the-art fabrics from leading providers such as Serge Ferrari and Dickson.

The fabrics are able to reduce glare and heat by up to 70% which in turn eliminates the greenhouse effect, keeps your interiors feeling fresh and, depending on the colour of the fabric, blocks 90% to 100% of UV rays.

### HEAD BOX SIZES & SIZE LIMITS

### AUTOMATION

Available automation options include hardwire to a **wall switch panel** or a **remote control**; wide range of **Automation sensors** such as wind or wind/sun sensors, motion sensors and rain sensors that easily integrate with existing or new **Smart Home Automation Systems** for convenient voice control commands.
