Pivot Arm Awning

////// Shade control at its best

Outdoor Blinds & Awnings Australia is a leading manufacturer and supplier of Pivot Arm Awnings.

Being in the industry for over 25 years gave us experience and deep understanding of the quality of shading solutions required by Australian consumers to develop **Metro Premium Pivot Arm Awning**.

# Metro

## Pivot Arm Awning

### Shade control at its best

Controlling the amount of sunshine has now become easier with **Metro** Pivot Arm Awning – the ultimate shade solution for windows, balconies, patio areas and outdoor decks.

Easy to operate with adjustable drop angles from 0° to 150°, **Metro** Pivot Arm Awning provides versatility to adjust the level of shading and protection at the time you need it most.

**Metro** Pivot Arm Awning equipped with heavy duty internal spring inside a fully extruded aluminium arm and is built to last. Extremely wind-resistant due to the separate structure and strong drop arms, Metro is designed to fit all buildings and any type of windows and openings up to 5 meters wide.

## Why Choose Metro Pivot Arm Awning

### HEAVY-DUTY ROBUSTA ARMS

Build to withstand the harshest weather

### CUSTOM MADE

Each Metro System is custom made with your choice of premium powder-coating colours for the head box and hardware as well as over 50 variations of premium quality fabrics.

### AUTOMATION

Available automation options include hardwire to a **wall switch panel** or a **remote control**; wide range of **Automation sensors** such as wind or wind/sun sensors, motion sensors and rain sensors that easily integrate with existing or new **Smart Home Automation Systems** of any kind for convenient voice control commands.

### MODERN DESIGN

Sleek and linear design, ideally suited to all types of applications

### EUROPEAN QUALITY

Unique combination of European design and Australian made quality. Designed and engineered in Europe, manufactured in Australia with rigorous quality control of all processes from initial customer consultation to manufacturing to installation and post-service.

### OPTIMAL PITCH ADJUSTMENT

Ensure perfect awning placement

### COMFORT, AESTHETICS & EASE OF USE

Metro is the best shading solution available on the Australian market.

### ENERGY SAVING

Manufactured with the state-of-the-art fabrics from the leading providers such as Serge Ferrari, Dickson and Achilles Clear PVC. The fabrics are able to filter up to 95% of harmful UV rays, create shade, control glare and block wind while still maintaining visibility and unobstructed views of the surroundings.
