

# POLYCARBONATE PERGOLA

Flat Patio Cover

## Unrestricted daylight

Introducing the fixed **Polycarbonate Pergola**, custom-made by Outdoor Blinds and Awnings Australia. This product features a contemporary roof design with a minimal slope, optional gutter and state of the art aluminium box for structural integrity. Enjoy natural daylight while staying protected from UV rays and rain .

# POLYCARBONATE PERGOLA

## Flat Patio Cover

### Unrestricted daylight

Our custom-made **Polycarbonate Pergola** is an ideal solution for balconies, patios and alfresco areas where natural light is desired while cover is required.

The frame is built from extruded aluminium and is resistant to rust and cracking, making this product extremely hard wearing.

Designed with a 4-5° slope for efficient water runoff and optional gutter attachment, this modern system is sure to uplift the appearance of any building.
