

ARIA

FOLDING ARM AWNING

GENIUS AND SIMPLE

Timeless shading solution designed for balconies, terraces, patios, verandahs, decks, and pool areas. Combining classic aesthetics with advanced engineering, this awning delivers both style and performance for residential and commercial spaces alike.

Custom-made to measure, *Aria* offers exceptional versatility. With over 200 fabric designs and a wide range of powder-coated frame colours, it can be tailored to seamlessly complement your building's existing architecture.

A single awning can span up to **7 metres wide with a 4-metre projection**, providing generous coverage from the sun and light rain. Choose between manual or motorised operation for effortless control, and enjoy a refined, functional addition that enhances your outdoor living and entertaining experience.

ARIA FOLDING ARM AWNING

OPTIONS AND FEATURES

Shade control at its best

CUSTOM MADE

Choice of premium Dulux and Interpon powder-coating colours for the frame as well as over 200 variations of premium quality of 100% solution dyed acrylic and mesh fabrics in the size to fit your space

ENERGY SAVING

Manufactured with the state-of-the-art fabrics from leading providers such as Serge Ferrari and Dickson. The fabrics are able to reduce glare and heat by up to 70% which in turn eliminates the greenhouse effect, keeps your interiors feeling fresh and, depending on the colour of the fabric, block 90% to 100% of UV rays.

COMFORT, AESTHETICS & EASE OF USE

Offers superb sun and light rain protection with seamless integration.

SYDNEY MANUFACTURED

Locally made to ensure quality every step of the way
