

CLEO

FOLDING ARM AWNING

SEMI-CASSETTE

Designed to combine sleek European aesthetics with durable Australian craftsmanship, *Cleo* is perfect for modern homes delivering **reliable sun protection** in a **stylish and discreet** design that complements any outdoor space.

Engineered for longevity, the **semi-enclosed aluminium cassette** protects both fabric and hardware when not in use, shielding them from dirt, corrosion, and harsh weather. A smart **drainage system** prevents water from entering the cassette, keeping your awning looking fresh and performing at its best for years to come.

Elegant yet robust, the *Cleo Folding Arm Awning* is the ideal choice for those seeking premium, low-maintenance shade with a contemporary edge.

CLEO FOLDING ARM AWNING

OPTIONS AND FEATURES

Future-proofed contemporary awning

CUSTOM MADE

Choice of premium Dulux and Interpon powder-coating colours for the frame as well as over 200 variations of premium quality of 100% solution dyed acrylic and mesh fabrics.

ENERGY SAVING

Manufactured with the state-of-the-art fabrics from leading providers such as Serge Ferrari and Dickson. The fabrics are able to reduce glare and heat by up to 70% which in turn eliminates the greenhouse effect, keeps your interiors feeling fresh and, depending on the colour of the fabric, block 90% to 100% of UV rays.

COMFORT, AESTHETICS & EASE OF USE

Offers superb sun and light rain protection with seamless integration.
