

MED OPRA

RETRACTABLE LOUVRE ROOF SYSTEM

An innovative all-aluminium retractable louvre roof designed to transform both residential and commercial spaces.

This **bioclimatic pergola system** creates a comfortable, year-round outdoor living area with automated louvres that adjust at the touch of a button. The extruded aluminium blades can be angled **up to 80 degrees or fully retracted**, giving you complete control over shade, UV protection, ventilation, and natural light.

With its sleek, minimalist design and advanced functionality, the *Med Opra* seamlessly integrates with modern architecture, providing an elegant solution for outdoor entertaining, dining, or relaxation in any weather.

MED OPRA

OPTIONS AND FEATURES

Ready for any weather

CUSTOM MADE

Choice of premium Dulux and Interpon powder-coating colours for the frame size to suite your space

COMFORT, AESTHETICS & EASE OF USE

Offers superb sun and rain protection with seamless integration

SYDNEY MANUFACTURED

Locally made to ensure quality every step of the way

OPERATION OPTIONS

Motorised

AUTOMATION OPTIONS

Available automation options include hardwire to a wall switch panel or a remote control; wide range of Automation sensors such as wind or wind/sun sensors, motion sensors and rain sensors that easily integrate with existing or new Smart Home Automation Systems for convenient voice control commands.

SYSTEM SIZE

Width: min 2m - max 4m
Depth: min 2m - max 6m

INCLINING ALUMINIUM LOUVRE BLADES

Up to 80° opening angle

STACK SIZE

28% of total projection

INSTALLATION

Free-standing, wall and/or ceiling mountable

COUPLED MODULAR SYSTEM

Up to 10 modules can be connected seamlessly in width and length

RAIN WATER DRAINAGE

The rain water drainage and outlet point vary for each system and is dependent on the system projection.

The Med Opra features a slope with a slight variation in height between the front and back, facilitating drainage of excess water. The system requires levelled surface for installation to ensure the drainage system works correctly.

MED OPRA DIFFERENCE

INTEGRATED GUTTER SYSTEM

OPTIONAL LED LIGHTENING

KEVLAR BELT SYSTEM

V-SHAPE BLADE CONNECTION

SEALED WHEN CLOSED

Withstands all weather conditions
