

POLY CARBONATE PERGOLA

FLAT PATIO COVER

Enhance your outdoor spaces with our custom-made *Fixed Polycarbonate Pergola*, designed to combine style, durability, and functionality. Featuring a **contemporary roof** with a gentle slope and optional gutter, this pergola allows **natural daylight** in while providing **reliable protection from UV rays and rain**.

Crafted from extruded aluminium, the frame is highly durable, resistant to rust and cracking, and built to last. With a minimum **5° slope for efficient water runoff** and a sleek aluminium box for structural integrity, this pergola is ideal for balconies, patios, and alfresco areas — delivering both modern aesthetics and long-lasting performance.
