

# VALANCE

## ORDER GUIDE

Canopy awnings and folding arm awnings are a charming and versatile solution for windows and doors. They provide protection from rain and wind, create comfortable shade, and add distinctive character to any building façade.

This brochure will guide you through valance styles and binding options, helping you choose and customise the perfect awning for your space.

# VALANCES

## ORDER GUIDE

### VALANCE STYLES

A wide range of valance styles allows you to create a distinct aesthetic for each awning. Choose from six stunning valance designs to perfectly complement your space and bring your vision to life.

No Valance - Standard\*

Scallop - Standard\*

Signature

Straight - Standard\*

Angle Block

Fortress

Castle

### VALANCE BINDING

Each valance is trimmed with a fabric binding in a matching or complementary colour of your choice. This special binding not only enhances the visual appeal but also reinforces the edges, protecting them from fraying and wear—ensuring long-lasting performance and durability.
